

Edward Green

***Concerto for Alto Saxophone
and Strings***

I. Andante
II. Allegro Giocoso

© 2009 Edward Green

Concerto for Alto Saxophone and Strings by Edward Green

I wrote this concerto in 2004 and revised it somewhat in 2009. Dale Underwood premiered it with the Minnesota Sinfonia, and it has since been played widely: in the US, in South America, and in Europe. In a slightly altered form, it was released on a North/South Consonance CD, as a concerto for clarinet in A, with Arthur Campbell as soloist. (Previously, Dale Underwood had performed it on a CD released by Arizona University Recordings.)

The two movements of the concerto were meant to be strikingly different. The first, in the key of G, is slow and expansive, and in sonata form. In terms of emotion, it accents yearning, wistfulness. The second movement, a rondo, has humor and rough-hewn, carefree high-spirits, and is far more outwardly energetic, even as its tonal center has fallen to a lower key: the key of F.

How can two such different movements cohere? That was my task as a composer, a joyful challenge.

In the mid-1970s, I had the honor to study with Eli Siegel, the great American poet and philosopher who founded Aesthetic Realism—and this concerto arose directly from what I learned from him. In particular, his grand principle of aesthetics, explaining the true relation of Art and Life: *"All beauty is a making one of opposites, and the making one of opposites is what we are going after in ourselves."*

What a kind and profound idea! How the self rises and sinks, has joy and sadness, has heartfelt lyricism and playful humor, is sure of itself and richly doubtful: that is what—in musical terms—this piece is about.

And one technical way I chose to unify the two movements was tonal: while the first movement is in G, its main theme is Mixolydian—using an F natural; the second movement is in F, but its primary theme is Lydian—making use of the B natural which is central to the key of the first movement. In other words, the basic scales are identical, just centered on different tonics.

Concerto for Alto Sax. and Strings

(I) Andante

Edward Green

The first system of the musical score is for the initial section of the concerto. It features six staves: Alto Sax, Violin I, Violin II, Viola, Violoncello, and Contrabass. The Alto Sax part begins with a melodic line marked *espressivo* and *mp*. The Violin I part has a rhythmic accompaniment starting with a *p* dynamic. The Violin II part has a few notes. The Viola part has a melodic line starting with a *p* dynamic. The Violoncello part has a bass line starting with a *p* dynamic. The Contrabass part has a few notes, including a *pizz.* (pizzicato) marking and a *pp* dynamic.

The second system of the musical score continues the piece. It features six staves: A. Sax., Vln. I, Vln. II, Vla., Vc., and Cb. The A. Sax. part has a melodic line with a box labeled 'A' above it. The Vln. I part has a rhythmic accompaniment. The Vln. II part has a rhythmic accompaniment. The Vla. part has a melodic line. The Vc. part has a bass line. The Cb. part has a few notes.
